

AMENDMENTS TO THE CLAIMS:

Claims 1-4 (canceled)

Claim 5 (new): A cover for converting a kitchen knife into a peeler comprising:

a body having a holder adapted for receiving a blade of a knife, two frames at two sides of said body, and a window defined between said two frames to expose said blade, one of said frames in front of said exploded blade being deflected to define a finish slot for peeling; and

a protection clamp having an upper flange and a lower flange extending vertically to form locking panels overlapped on said frames, said protection clamp being engaged with a middle section of said body and acting as a clicked-on shield.

Claim 6 (new): The cover for converting a kitchen knife into a peeler as claimed in claim 5, wherein a locking point is each provided extending from a respective one of said locking panels of said protection clamp.

Claim 7 (new): The cover for converting a kitchen knife into a peeler as claimed in claim 5, wherein a ventilation hole is provided close to a tip of said body.
